

Defensive spending

The visualization explores military spending, and population in the ten countries that globally spend the most on their military. While the United States far outspends all other countries, Israel (not pictured) spends the most per citizen.

United States, \$2,351

China, \$175

India, \$53

Russia, \$422

France, \$808

United Kingdom, \$872

Saudi Arabia, \$1,652

Japan, \$389

South Korea, \$892

How to read it

Military dollars
spent per person

United States, \$2,351

10 billion U.S. dollars in
military spending

100 million people in population

100 battle-related deaths
